Adaminaby Public School | Term 2 | Week 8

Stephanie Alexander Kitchen Garden

The next Stephanie Alexander Kitchen Garden day will be on

Thursday 22nd June. The 3-6 group will be cooking and the K-2 group will be doing gardening activities. Please note that this is a change to our previously communicated schedule. SAKG day swapping from the 15th to the 22nd June.

Monday Munchies

Next up on the roster:

19th June Maguire

26th June Fountain

Assembly

Our next assembly is scheduled for Wednesday 21st June at 2:45pm in the library.

Parent Teacher Interviews

We are always happy to talk about the teaching and learning together with your child's progress at Adaminaby Public School. In the last week of this term however, you will be able to formally schedule in a time to come in to chat about your child with a teacher. Mr Bogatek will talk to parents of students in the year 3 to 6 group and Ms Salvestro will talk to parents of students in K-2. You will be able to book in a time by filling in the appointment form and returning it to school. Please follow the instructions on the form.

Student Teacher

Until the end of term we are hosting a student teacher. We are happy to have April Hassall with us and she will be joining in with our learning, leading a variety lessons. This is a great experience for us all.

Thursday	22nd June	Kitchen Garden Day
Wednesday	28th June	Small School's day
Friday	30th June	Last day of term 2
Tuesday	18th June	First day of term 3

Recent Notes

Note	Due
Skiing	26th June
Jerangle Small Schools Day	26th June

School Skiing Program

The details of this years School Skiing Program are now finalised and the note went home last week. Remember that you can pay in smaller instalments rather than a lump sum and you can use the online payment system via the school website.

Interschools ski racing is also being organised and a note will be sent home about this within the next week.

Small School's Day

Jerangle is hosting our next Small School's Day, which will be held on 28th July. A permission note is attached, and also went home today as a printed copy. The theme for the day is STEM activities. STEM education is the learning of science, technology, engineering and mathematics in a combined way. Students gain and apply knowledge, deepen their understanding and develop creative and critical thinking skills within an authentic context.

Jerangle School has indicated that their P&C will have a canteen providing lunches on the day. They will forward us a menu/order form when they have it organised.

Please note that the permission note sent home today said that it needed to be returned on 26th April.... It should have read 26th June. As Luke pointed out "Ms Salvestro you are living in the past!" Please accept my apologies for this error.

Lunch time clubs

We are trialling some lunch time clubs that are being organised and managed by the year 6 students. Kianna is running a Tuesday Art and Craft club and Luke is organising a Gaming Club on Wednesdays.
