Stephanie Alexander Kitchen Garden

The next Stephanie Alexander Kitchen Garden day will be on

Thursday 10 August.

Monday Munchies

Next up on the roster:

14th August Walker

21st August Stephens

Assembly

Our next assembly is scheduled for Wednesday 16th August at 2:45pm in the library.

Toilet Upgrade

The work has now finished on our toilet facilities, and things are back to normal in regards to using the toilets, wash basins and bubblers. We thank all the students, staff and visitors to the school during the time of the work for their patience in using the 'portaloos'.

Online Roll Marking

Our online roll marking has commenced. Remember to let us know about student absences. This can be done by sending in a note, ringing the school or via text message. The important thing is that there is a legal requirement to explain absences within a 7 day period. If the absence is not explained within 7 days then it will be recorded as an unjustified absence. After that time we are not able to change it.

P&C News

There will be a meeting on Wednesday 16th August at 3:30pm at the Snowgoose. Please contact Vicky Fountain for information.

Term 3 Student Learning

This term our theme is **Built Environments**. We will be looking at what makes environments, both locally and around the world, unique and what are the best building designs to suit different environments. We will also look at the materials used in different environmental settings. This theme allows opportunities to work towards learning outcomes in Science, Geography, English and Maths at all stage levels.
