Friday 8th April

First Day of Term 2 for
Students

Wednesday 27th April

Snowy Mtns District Xcountry Nimmitabel

Friday 6th May

Next Kitchen Garden Day:

Thursday 31 March

Canberra Excursion

Our excursion to Canberra was a huge success! The students behaviour throughout the excursion was exceptional, gaining the attention of many onlookers who commented on students' appearance, behaviour and manners. The responsibility, respect and resilience everyone displayed is to be commended. The train ride at Cockington Green thrilled our kinders, as they counted three circuits around track instead of the usual two - but we won't tell anybody! The kite making workshop and kite flying at the National Arboretum was a definite highlight. It seemed like many worries and stresses from recent times drifted and floated away with the sound of laughter, and the tireless sprints up and down the amphitheatre to launch the kites. The robotic performances of Penny and Titan at the Royal Australian Mint kept the students entertained, watching Titan lift and pour the barrel of twenty cent coins and listening in anticipation for the unique clinking of the 'waterfall' of coins. During the Van Gogh display, it was a privilege to witness the awe and wonder experienced by the students as they , and to receive positive feedback from other gallery patrons, who commented on our students' outstanding behaviour and the engagement displayed by all.

School Leaders

Congratulations to our 2022 school leadership team; Sid, Chase and Albe. Our new school leaders presented their speeches at the assembly, highlighting the skills and values they would bring to their leadership roles.

Adaminaby Swimming Relay Team

Congratulations to Will, Sid, Chase and Albe for their recent achievement at the Regional South Coast School Sports Swimming Championships held at Dapto. We wish the team great success as they compete at the NSW Primary School Sports Association Championship to be held in Sydney on Tuesday 5th April. Good luck, and enjoy the experience!

Tunnel Boring Machine - Florence

Tuesday was a day of excitement as the students eagerly waited to see if they would get a ride in the 'truck-bus' to participate in the commissioning ceremony of the TBM Florence. The stars aligned, and the students cheered as the truck-bus pulled up at the school gate. How would the tunnel boring machine compare to the truck bus? Well, the TBM didn't disappoint as it towered above the students from their viewing platforms. Full of questions and wonderings the students were fortunate to meet many of the engineers and personnel responsible for the designing and construction of the TBM Florence. We were also very privileged to sign our names on the TBM before it embarks on its tunnel boring journey. A true moment in history!

Parents and Citizens Association Annual General Meeting

Unfortunately, Covid-19 significantly impacted the running of the school's P&C meetings and activities over the past twelve months, and we are yet to hold an Annual General Meeting for 2022.

We invite all parents and interested citizens to consider undertaking a committee position to help support the school.

The P&C supports school programs and activities by bringing school (Principal, staff & students), parents and community together and providing funds to support additional learning or environmental resources needed by the school.

What does the P&C do?

The P&C helps to meet the needs of our school community (parents, children and teachers) and contribute to decisions about the school by applying for grants and fundraising to improve the school facilities and student outcomes.

Parents are an essential part of the education process at our school and we invite you to play an active role by:

- joining the P&C
- attending meetings and contributing ideas
- nominating for a P&C Executive or Committee position at the Annual General Meeting
- helping / volunteering at P&C events.

Hat Parade

The students will be making hats at school, for the parade taking place on Wednesday 6th April. Parents are invited to come for the parade at 12.30pm and bring their lunch. Assembly will follow after lunch.

National Ride2School Day

As part of the National Ride2School Day on Friday 8th April, we would like students to bring their bike to school to participate in activities.

Covid Update

Please refer to the *Advice for Families* website for the latest information regarding Covid-19 updates.

<https://education.nsw.gov.au/covid-19/advice-for-families>

If you have trouble accessing this information, or you require a hard copy, please contact the school and we will arrange a copy of the latest updates for you.

Share Our Space

Our playground will be opened between 8am to 5pm from Saturday 9 April to Monday 25 April as part of Share Our Space program during the holidays. For more information, please visit edu.nsw.link/shareourspace

PSSA District Cross Country Carnival and School Cross Country

The PSSA District Cross Country Carnival will be held at Nimmitabel Public School (and the adjacent golf course) on Friday 6 May, 2022.

Permission notes and more information to come

We are aiming at having a Cross Country Day for our students at the school in the first week of Term 2.
