

South East Local Land Services Bushfire Recovery Funding – Containment Line Weed and Pasture Funding

Registrations now open!

Apply today for weed control and pasture re-establishment funding on containment lines in the Snowy Monaro region.

Local Land Services (LLS) recognises that containment lines put in during the 2019-2020 bushfires have impacted pastures and created a risk for weed incursions in the Snowy Monaro regional council LGA. To assist landholders to restore vegetation on containment lines in areas used for grazing, **LLS is offering landholders small grants up to \$3,000** for weed control work, fertiliser and pasture re-establishment on containment lines.

To be eligible for the funding landholders must:

- 1) Be located in the Snowy Monaro Regional Council LGA, and have containment lines that were put in as part of the bushfire containment strategy during the 2019/20 bushfires
- 2) Be the owner of the land with the containment lines (i.e. not lease the land)
- 3) Be able to commence all funded activities before 30 June 2021 and complete by 30 Nov 2021.

Funding can be used for any of the following eligible activities on or around containment lines:

| <i>Eligible activities include:</i> | <i>Ineligible activities:</i> |
|---|---|
| <ul style="list-style-type: none">• Targeted weed control in grazing areas. | <ul style="list-style-type: none">• Weed control in bushland areas. |
| <ul style="list-style-type: none">• Re-establishment of pastures and groundcover on grazing land. | <ul style="list-style-type: none">• Pasture establishment fertiliser in bushland areas. |
| <ul style="list-style-type: none">• Fertiliser application to increase pasture growth and ground cover. | <ul style="list-style-type: none">• Erosion control in bushland areas. |

Funded landholders will need to provide photographic evidence of their site (before and after funded activities) and enter into an agreement to complete the work before 30 Nov 2021.

To register your interest, contact the Cooma LLS Office on 02 6455 7200 or download the [Expression of Interest form here](#).
