Supporting our neighbours

Have you spoken to one of our Boundary Fencing Coordinators about the Supporting our Neighbours program?

If you had boundary fencing bordering public lands damaged during the 2019/20 bushfires, you could be eligible to receive a one-off grant of up to \$5,000 per kilometre to purchase fencing materials.

Grants can be issued retrospectively, so if you have already replaced boundary fences with your public land neighbour, you can still receive funding.

Call our friendly team on **1300 778 080** or apply online to find out if you are eligible
